## DO YOU HAVE EQUIPMENTS FOR SALE ?

### EQUIPMTL HANDLES THE SALE AND SAVES YOU THE HASSLE OF DOING IT YOURSELF

We are the only alternative that ensures a **balanced sale price** between the retail price and the auction

- **EVALUATION OF YOUR EQUIPMENT BY OUR TEAM OF EXPERTS**

We offer a professional evaluation service that includes a comparison of auction and retail sale prices. An equipment evaluated and announced at the right price will sell quickly.

- **THE ONLY ALTERNATIVE TO AN AUCTION**

Why risk selling your equipment at a loss. Before sending your equipment to an auction, please contact us to avoid risks. Unlike the auction, our buyers have access to our inventory every day of the year.

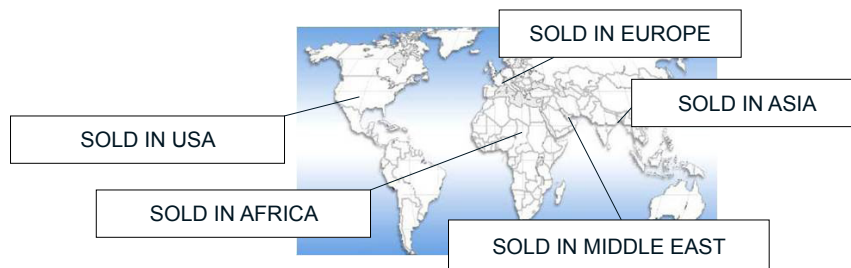

- **A LARGE NETWORK OF AGENTS AVAILABLE**

EQUIPMTL is an international network of agents trained to sell your equipment quickly. Our agents take care of everything: calls and visits with buyers interested in your equipment, sales contracts, checking liens, ...

- **EXPORT**

We offer a complete service for the export of your equipment. We export worldwide. Transport and dismantling for shipping by containers or RORO, we look after everything.

Our export department is continuously contacting importers worldwide and we sold several thousand equipments abroad.

- **ADVERTISING**

Your equipment will be advertised simultaneously on our website as well as several popular Canadian, American and European websites. Our visibility is extremely wide and we are present where buyers are searching equipment.
